President's Report

Greetings! Welcome to the first edition of the Southampton Neighborhood Association Email Update. We hope to send bi-weekly email updates on neighborhood events.

As we continue through the spring months, many of us spend time doing some "spring cleaning." Others spend time replanting their flower beds. Did you know you can help us with both some spring cleaning and replanting by joining the association? Your membership helps fund initiatives such as our wedge plantings. Your membership also helps us with our safety initiatives and social activities. If you haven't already joined, I hope you'll visit www.southamptonstl.org/join and sign-up today. It only costs \$15 to be a member for all of 2017!

Food For Thought

SoHa Front Porch Challenge

Recently I heard about a block in Holly Hills with a universal sign for "come on over and join us." If any neighbor had tiki lights lit in their front or back yard, it was a sign that

Tuesdays of May, June and July from 6:00-8:00 pm. Grab some family and friends, pack a picnic, and head on over for a great community event!

any other neighbors could stop by and say hello. In many cases, the visiting neighbors even brought libations (*hint... hint...*)

So now I challenge SoHa take this to a new level. Spruce up your front porch and invite your neighbors over for some neighborly conversation and merriment. This simple act builds community and improves neighborhood safety. Don't forget to take a picture of the fun and tag us on social media! #SoHaSTL

My wife and I hope to spend at least one evening a week on the porch. So if you're on the 5400 block of Walsh and you see the tiki lights burning, stop by and say hello!
